

Bus Transport

Bus Transport

We provide excellent bus services which are optional for our students. Trinity Bus Transport, a core service operating to and fro the College, greatly helps in making Trinity student commuters punctual, efficient, and comfortable. College buses operate widely within Kathmandu Valley in three districts: Kathmandu, Lalitpur, and Bhaktapur so as to serve as many of our students as feasible.

Features

- Trinity provides transport between homes and the College for over 1000 students.
- Our well-managed operations are properly networked in the Valley.
- Our fleet is well-maintained, reliable, comfortable, and safe.
- Our buses are neat & clean with adequate seats for the users.
- Our Bus Staff is smartly uniformed, well-trained, and courteous.

Transport Fee

The Fee is from NRs. 27,500 to 29,500 based on pick up and drop off points.

Payment Mode: Grade XI and AS Level Students need to pay 50% of the Transport Fee at the time of admission. The remaining 50% Annual Transport Fee has to be paid in the month of Poush every year. The Fee is applicable on an annual basis.

Bus Operation

The College has 16 need-based Bus Schedules: A, B, C, D, E, F, G, H, I, J, K, L, M, N, O & P with their accompanying Route Plans for both the Morning and Day Shifts. The details of these Bus Routes with approximate timings are given alongside.

Student Passengers need to choose those Bus Schedules which meet their requirements carefully in consultation with their Parents or Guardians and convey their choice in writing to the Transportation Officer. They would also need to indicate whether they would use this transport service one way or both ways as per availability mentioned in each of the Bus Schedules. Presently, switching Bus Schedules is not allowed.
