# Rules

1. An institution can exhibit a maximum of two items/projects in team and/or individual category for the Competition.
2. The items/projects must be original and related to Science & Technology or Management. Auxiliary devices or equipment needed to run an item/project or explain any feature can be brought.
3. All items/projects should be shown to the Organizing Committee before they are displayed.
4. Items/projects including their constituents MUST NOT contain any hazardous or banned chemicals and explosives or other dangerous materials.
5. An institution can send a maximum of 4 participating students with their moderator.
6. The item/project presentation must fully adhere to the proposal submitted at the time of registration.
7. Supporting figures, diagrams, or pictures can be displayed in the stall so as to make the item/project more informative and clear.
8. Different institutions may exhibit items/projects on the same/similar topic. The Organizing Committee will not be responsible for the concurrence of any item/project.
9. Any institution found using its stall/s for commercial purposes will be DISQUALIFIED.
10. The Organizing Committee shall provide electric power connections, if needed, only for the items/projects but institutional participants must bring all required accessories.
11. All the participants are requested to be in formal or institutional attire.
12. The final selection of items/projects institution-wise which can be entered in this Exhibition-cum-Competition shall be made by the Organizing Committee.
13. In case of any dispute, the decision of the Organizing Committee shall be final.

**Note:** 1. Participants must attach a proposal for each item/project with the Registration form.  
2. Participants may also attach photos or drawings and additional sheet/s to describe their item/project if necessary.
